

strand woven bamboo

#### CORBOO™—PATENTED, ECO-INNOVATION

Corboo™, a unique and innovative strand woven bamboo floor, infuses seams of cork into the strands of shredded bamboo for a truly unique visual and improved sound reduction properties.

#### MOSO6™ MATURE 6 YEAR PREMIUM MOSO STRAND WOVEN BAMBOO

USFCONTRACT commercial strand woven Natural Bamboo® floors provide the perfect marriage between high fashion and high performance. We also give you options to allow you flexibility to specify a floor that meets the needs of your commercial project.

USFCONTRACT specifies Moso6™ Mature 6 Year Premium Moso Bamboo for all of its Natural Bamboo® floors. Moso6™ is the only bamboo with density and dimensional stability integrity necessary to perform in commercial applications.

#### COLOR AND FINISH OPTIONS

USFCONTRACT features an extensive palette of 36 running line colors on your choice of 4 different strand woven bamboo structures. If we don't have the color you need, custom coloring is an option. USFCONTRACT also provides finish options with our Endura AR UV-cured hard finish or our Natural-E™ Natural Oil Finish.

Take the Next Step in sustainable commercial floors. At USFCONTRACT, we are in full stride. Visit us on the web at [usfcontract.com](http://usfcontract.com) or call **1.877.292.4044**

Lifetime Structural Warranty

#### NATURAL BAMBOO® FLOORS:

- > Meet E0 and CARB 2012 standards for emissions
- > Comply with the Lacey Act
- > Contribute to satisfying LEED credits:
  - MR 6.0—RAPIDLY RENEWABLE MATERIALS
  - EQ 4.4—LOW EMITTING MATERIALS
